These Terms and Conditions govern all purchases from Specified Fittings, Inc. (SFI)

- 1) Shipping and Delivery. All materials shipped FOB our plant in Bellingham, Washington or a regional distribution warehouse, unless otherwise specified herein. On PVC and CPVC orders, freight will be paid on \$1500.00 net orders. HDPE orders are FOB Factory of origin. On drain basins and in-line drains, freight will be paid on orders over \$2000.00, with the exception of basin/drains over 30" diameter and 78" over all length. These are FOB factory. These freight terms exclude all pipe and are for shipments to one location within the contiguous forty-eight (48) states. All claims for lost and/or damaged merchandise shall be made by the Buyer to the delivery carrier.
- 2) Specifically Manufactured Goods. All fabricated fittings or special order items may not be canceled or returned.
- 3) Inspection and Returns. Buyer will inspect all material at time of delivery and note on the Bill Of Lading any apparent defects. Buyer waives all rights to reject nonconforming goods with visible defects if they fail to note the rejected goods on the Bill Of Lading. Goods will not be accepted for return without a returned goods authorization (RGA) issued by SFI. A restocking fee and inbound freight charges will be assessed on all material returned to SFI. Where appropriate, outbound freight costs will also be assessed. Goods must be returned in clean condition and SFI count of returned material shall be deemed final. Special fittings and unreasonably large quantities are not returnable.
- 4) Payment and Taxes. All orders shall be prepaid, or at SFI's option, SFI will mail invoices to Buyer. Invoice amounts are due and payable by the 10th day following date of invoice. Any trade discount in effect at any particular time and applicable to the transaction will be revoked if timely payment is not received. Purchases and shipments made after the 25th of the month will be considered the following month's purchases. Payments not received by the end of the month following date of invoice are subject to a finance charge commencing at the end of the month in which the invoice is due. Buyer agrees to pay a finance charge of 1 ½% per month (18% annual rate) on all past due invoices. Once Buyer accepts shipment of the goods, they are obligated to make the agreed payments to SFI regardless of when and whether Buyer receives payment from someone else for the goods. Prices for sales of goods shipped outside of Washington do not include any sales or use taxes. SFI conducts business only in Washington State, and does not collect or pay the taxes of any other State.
- 5) Warranties. SFI warrants all new products against defects resulting from faulty workmanship or materials for a period of one year after the date of the original purchase.
