

Fabrication – Saw Department

The Harrington Corporation (Harco Fittings)

Location: Stevensville, MT

Job Type: Regular Full-time

About Us

The Harrington Corporation (HARCO) was founded in 1966 in Lynchburg, Virginia, to produce push joint ductile iron pipe fittings. Since then we have introduced pipe fitting and valve products for PVC, Polyethylene, and Ductile Iron pipes serving Waterworks, Sewer, Plumbing, Irrigation, and Drainage applications and markets. Many of these products were first of a kind. In addition to excellent customer service we are dedicated to developing new products that are “engineered for durability” to provide our customers more and better solutions.
